

California Department of Fish and Game SEASONAL JOB BULLETIN

Positions: Scientific Aid (2)

Location: Bay Delta Region (East). Stockton, CA.

Salary: \$11.58-13.34 per hour depending on education and experience.

Duration: Up to 9 months.

Final Filing Date: Until Filled

Duties:

We are seeking motivated individuals to assist in fish surveys in and around the Sacramento-San Joaquin Delta and San Francisco Estuary. The position involves working from a boat collecting fish and zooplankton samples and analyzing these samples in a lab.

Minimum Qualifications:

Possession of a valid California Driver's License and either: (1) equivalent to completion of two years of college with a minimum of 10 semester hours in biological or chemical sciences (2) one year experience in surveying, studying, or evaluating fish or wildlife data population data, habitat evaluations, or working in a chemistry lab.

Additional Desirable Qualifications:

College work in ichthyology, fisheries, water quality or zoology. Familiarity with fish collection and identification. Willingness to work irregular hours (including weekends). Ability to lift up to 40lbs and must work well with others.

To Apply: Applications are available online at the State Personnel Board website:
<http://jobs.ca.gov/OEC/jobs/stateapp.aspx> or at any California State agency office.

Submit a completed California State application (STD. 678) and 3 work related references to:
